

# Seminars for Success

You are cordially invited to attend a  
Complimentary Seminar entitled

## “Your Health...Your Responsibility!”

~ Healthy Living: Your Links to Personal & Professional Success ~

**Todd Whitthorne**  
CEO, Cooper Concepts

*Todd Whitthorne is one of the country's leading authorities on health and wellness. He has positively impacted the lives of thousands by showing his audiences that their health is their responsibility.*

*A graduate of UCLA, with a Bachelor of Science degree in kinesiology and exercise physiology, Todd's message is grounded in solid science, yet is presented in a comfortable, conversational style. His energy-packed presentation is designed to educate and motivate audiences about the power of prevention.*

*You'll learn exactly what is needed in terms of exercise, diet, and supplementation to maximize your health, AND you'll be surprised to learn it's not nearly as tough as you expected. This presentation is perfect for anyone who's interested in taking charge of their health for good!*
